Hello Everyone,  
We are off and running with month two under our belt. In the interest of being fair and tired of droning on about teams not doing their fair share, here is a bit of pleasant news. Much thanks to team Finnegan for their innovative and delicious Gyro's last month. Team Finnegan is one of the teams that every year step up and beyond what is expected from a team. The first month they worked the bar, last month worked the food, every year work the gate at Schuetzenfest, every year they work the end party bar and are always volunteering for any needs of the Schuetzen and Kolping. The following members of team Finegan make it a pleasure to be Schietzen Club president: Vic Finnegan, Dave Berryman, Eli Martin, Chuck Klosterman and Rick VandenEyden.

Don't forget the Turkey Shoot is this month.

Our secretary Paul Anhofer requests that team captains review the cap sheets for accuracy each month

In recent years we have suggested that everyone bring some canned good the December meeting which will be held on Sunday, Dec.4<sup>th</sup> at our Center. The festivities

will begin with a Mass at 11 AM, the Feast Day of our Founder Blessed Adolph Kolping, followed by the initiation of new Members and the Christmas Party. The agenda is full for this day with happy and enjoyable activities . This day, the monthly meeting will be suspended so we can fully enjoy the day and visit with fellow members. It would be very rewarding for our leadership to be able to greet a large crowd. They put a lot of effort into this event and we need to positively respond by attending. It would be very encouraging to see some of our newer members attend so we all can get better acquainted.

Some years ago the Society asked that we bring some canned goods to this event to be given to some charitable organization that feeds the hungry. In the past we have taken the collected food items to various organizations and last year it was suggested that we consider donating this year's collection to the folks who run and live in the home called **Our Lady of the Woods**. This is a senior citizens facility in White Oak. Our Seniors group has for years worked with this facility and made monetary as well as material donations to them.

The first load that I took to the Free Store a few years ago amounted to 500lbs. Last year we barely collected 200lbs. I would love to take a big load to **Our Lady of the Woods** this year.
